

MATINICUS

Maine | 04851

Twenty-two miles off the coast of Maine, Matinicus Island is shaped by wind, salt, and time. Rugged shorelines meet quiet sandy coves, and the rhythm of life follows the tides and seasons. A proud fishing community, resilient local businesses, and the hands of hardworking islanders keep this remote harbor alive.

We're glad you've made the journey.
Welcome — and enjoy your stay.
